PORTSMOUTH, Va. (WAVY) - Does chronic pain compromise your lifestyle? If so, you can find relief at Tidewater Physicians Multispecialty Group.

Dr. Christopher Dawson is an Interventional Pain Treatment Specialist at TPMG in Newport News. He believes pain relief is within reach without the use of opioids. His patients have had great results with MLS Laser Therapy, which reduces pain and inflammation. Chris Reckling visited with Dr. Dawson to find out more.

To learn more about MLS Laser therapy get in touch with Dr. Christopher Dawson at the Tidewater Physicians Multispecialty Group
